

## FOR IMMEDIATE RELEASE

Cleveland Tank Partners with Zinga Industries to Expand Hydraulic System Solutions

CLEVELAND, OH – October 1, 2025

Cleveland Tank is proud to announce a new partnership with Zinga Industries, a trusted leader in hydraulic system components. Through this collaboration, Cleveland Tank will now distribute Zinga's replacement and consumable hydraulic products, including filter breathers, filter elements, filter heads and strainers.

This partnership strengthens Cleveland Tank's commitment to providing customers with high-quality, in-stock hydraulic components that help maintain system performance and reduce downtime. By offering Zinga products, Cleveland Tank delivers reliable, ready-to-ship solutions that meet the demanding needs of industrial and mobile hydraulic systems.

"Partnering with Zinga Industries allows us to expand our hydraulic offerings and provide customers with proven replacement parts that keep their systems running efficiently," said David Wilson, General Manager at Cleveland Tank. "Together, we're focused on delivering both quality and convenience—ensuring equipment stays protected and operational."

Cleveland Tank customers can now order Zinga hydraulic products directly from [ClevelandTank.com](http://ClevelandTank.com), or by calling 216-771-8265.

###

### **About Cleveland Tank**

Founded in 1990, Cleveland Tank specializes in the engineering and manufacturing of diesel fuel and hydraulic tanks for various applications, including school buses, semi-trucks and more. All tanks are designed in-house by skilled engineers, manufactured by hand and pressure-tested to ensure leak-free performance. Committed to quality and customer satisfaction, Cleveland Tank continues to be a trusted source for fuel system solutions across North America.
