

FOR IMMEDIATE RELEASE

Cleveland Tank Launches New RS1318LC-05 Diesel Tank for IC Buses & School Buses.

CLEVELAND, OH – October 21, 2025

Cleveland Tank, a leading manufacturer of high-quality diesel fuel tanks, is proud to announce the release of its new RS1318LC-50 diesel fuel tank, engineered specifically for IC buses and school buses.

The RS1318LC-50 offers a durable 18-gallon capacity and is a direct-fit replacement for OEM #4251199C1. Built for performance and longevity, this tank is constructed from heavy-duty steel and finished with a black powder coat for superior corrosion resistance and durability in demanding environments.

Designed for easy installation, the RS1318LC-50 mounts on the driver side, providing a reliable and long-lasting fuel storage solution that meets or exceeds OEM specifications.

“Our new RS1318LC-50 tank underscores our commitment to providing dependable, American-made solutions for the commercial and school transportation markets,” said Pat Donegan, Sales Manager. “It’s built tough to handle the daily demands of fleet operation while ensuring safety and performance.”

The RS1318LC-50 is available now through Cleveland Tank and authorized distributors.
