

## FOR IMMEDIATE RELEASE

Cleveland Tank Introduces New RS1565CC-53 Replacement Diesel Fuel Tank for IC Buses

CLEVELAND, OH – August 14, 2025

Cleveland Tank, a leading manufacturer of high-quality aftermarket diesel fuel tanks, is proud to announce the release of the RS1565CC-53, a direct-fit aftermarket diesel fuel tank designed for IC buses with OEM part numbers 4108255C91, 4108255C92 and 4108255C923.

Engineered for durability and long service life, the RS1565CC-53 is constructed from heavy-duty steel and protected with a tough black powder coat finish to withstand the elements. This tank is DOT-approved and comes fully equipped with all required fittings and components, making it a complete, ready-to-install solution.

"Our goal is to provide fleet managers and operators with dependable, direct-fit fuel tanks that keep buses on the road and downtime to a minimum," said Pat Donegan, Sales Manager, Cleveland Tank. "The all-new RS1565CC-53 delivers OEM-quality fit and performance at a lower cost than dealer-supplied tanks, giving customers real savings without sacrificing quality."

The RS1565CC-53 is in stock and ready to ship, ensuring quick turnaround times for IC bus operators and maintenance teams.
